100% MEANS 100%

We provide professional monitoring services 100% from our hardened, fully secure and redundant facilities.

ing personnel to work from home during the pandemic. Since 1992, we incontaining services 100% from our hardened, fully secure and reduced Dealer Support and Topic from home " evenings or weekends either. 100% means are no "work from home" evenings or weekends either. 100% means

eture on this letter that Rapid Response is absolutely committed to In-Facility Monitoring and a commitment to the safety of your customers and to the continued success of

Jeffrey Atkins President

at-home monitoring, in part or completely, re contracted for. That is an unfair business

That is professional monitoring. Anything else is simply not.
