**RAPID RESPONSE**  
MONITORING

No Other Monitoring Provider In The Industry Has Invested More Resources In Pursuit Of Its Mission.

Since 1992, Rapid Response has been committed to having the most qualified, extensively trained personnel and the most advanced technologies available with the singular purpose of providing our Dealers and their customers with the very best monitoring services. Our mission is to protect lives and property and to ensure the safety and welfare of employees and families nationwide and internationally. No other monitoring provider in the industry has invested more resources in pursuit of this mission.

Today, Rapid Response is experiencing record-breaking growth while consistently exceeding the most stringent industry standards. These include UL and FM certification for our Monitoring Control Centers, Department of Defense accreditation, FDNY certification and more. Rapid Response is licensed in every state that requires a license for monitoring.

Our enhanced monitoring centers are custom designed, maintained to exceed all industry standards and provide the ideal work environment for our employees to serve you and your customers. Our work areas and on-site training centers have been cited as the best in the business.
